- 1 The receiver's sale of the Malmo property (real estate) is unopposed. I am satisfied with the diligence exercised by the Receiver in obtaining the APs and I am approving the sale. I have signed the Malmo Sale Approval & Vesting Orders. - I have also signed the Approval and Sealing Order.
- 2 I heard argument on the s.17 / 3 mms interest issue - under reserve and costs outlines received.
- 3 The Malmo Chattels are subject to a claim by 236 Inc. which claim - even if decided adversely to 236 Inc. at a later date, will cost the estate more than the very limited upside of a sale of these chattels to another buyer Malmo so and Loyalist Chattels order signed.
