The parties have agreed on a timetable for the Yeretsian and Drotos matters which I am approving (attached, both signed by me

and all dates confirmed with Commercial
List Office). The \$250,000 budget
for fees of the BT2 parties is
recognized as being an interim fee
budget. BT2 have not challenged (yet)
the Maruca-like claims to mortgage
proceeds made so far. These will be decided
on the merits under this timetable.

BT2 may apply after September 30
(or on that date depending on court
availability) for further fees at an
appointment (maximum 30 minutes) to be
booked. If so, evidence of resources, ~~and~~
how much of \$250 used and how much
needed through to end will be needed.

Draft order approved by me + signed.
This endorsement supplements that
order.
