\* Receiver is authorized to pay legal fees of CIC + CCC. Applicants if this is unopposed

There are a number of parties opposing any distribution to CIC + CCC out of the 1<sup>st</sup> mtg. Ms. Yeretson + Chaiton's clients claim to be victims of fraud and the latter are seeking a Mareva-like order freezing proceeds. MMIC + Ms. Yeretson take issue with the calculation of mtg. debt.

Clearly I cannot proceed with a distribution order today. I am ordering that any party taking issue with the Receiver's calculation of the amount of the mortgage indebtedness to state their objection and the grounds therefor in writing <sup>(to the Receiver)</sup> by July 13, 2018. ~~CIC + CCC~~

Ms. Yeretson + the Chaitons parties to file any additional material re Mareva relief by July 13. Parties to return July 31<sup>st</sup> to (i) approve <sup>interim</sup> fee budget for CIC + CCC; and (ii) timetable going forward to deal with these claims.
