Applicant

June 7/18 Respondent

14 June 18 (See attached)
Matter appeared before me again today.
Mr Katz + Ms Staleuskaya attended
in person. Neither oppose the order
sought. I offered Ms Staleuskaya an
opportunity to adjourn the matter &
seek counsel. She declined. Mr Katz has
already met w/ counsel. The Receivership
is specifically only w/ respect to the
Property. Para #11 adequately deals with
the Federal litigation.

Otherwise the terms of the order are
reasonable and it is sensible to grant a Receiver
given all of the difficulties w/ the Property.
order - to go as per draft filed & agreed.
